Period for which the practical training contract is concluded: one month in the school year of 2022-2023

Art. 1 - The object of the practical training contract

The contract establishes the framework in which a part of the practical training internship is organized and carried out, in order to learn on the job, as part of the professional training program, carried out by the following students in the field of professional training: health and pedagogical assistance, qualification of generalist nurse (second and third year of studies).

The internship is organized in order to acquire professional skills, in accordance with the Standard of professional training and the curriculum approved by Order of the Minister of National Education.

Art. 2 - The status of the practitioner

✓

Standard of professional training and the curriculum corresponding to the qualification for which the student is prepared. The teacher appointed by the educational unit participates in the evaluation of the competencies acquired by the practitioner during the practical training stage.

Art. 7 - Obligations and responsibilities of the practice partner

The internship partner will establish a tutor for the internship, selected from their own employees. Before the start of the internship, the partner has the obligation to instruct the practitioner on occupational safety and health rules in accordance with applicable law. It will take the necessary measures for the safety and health at work of practitioners, as they are defined in particular by Law no. 319/2006 on occupational safety and health (in Italy D. Lgs 81/2008 Consolidated law on safety), as well as for the communication of occupational risk prevention rules (Labor Code).

The practice partner will provide the practitioner with the necessary means to acquire professional skills.

For the best practitioners of the second years of studies the internship partner could guarantee a scholarship to cover the school taxes for the third year of study.

Art. 8 - People designated by the internship organizer and the internship partner

The tutor(s) (person(s) who will have the practitioner's responsibility from the practice partner) - Ms./Agostena Elisabetta, Corapi Cosetta, Molaschi Chiara, Patuzzo marilena, Fraccalvieri Agata

The teacher(s) responsible for following the internship of the practical training from the internship organizer – Mrs Amigoni Carla and Gallo Marianeve

Art. 9 - Evaluation of the practical training stage

During the practical training, the teacher responsible for monitoring the practical training will evaluate the practitioner at all times, based on an observation / evaluation sheet. Both the level of acquisition of technical skills and the behavior and manner of integration of the practitioner in the activity of the institution (discipline, punctuality, responsibility in solving tasks, compliance with the internal regulations of the practice partner, etc.) will be evaluated.

Art. 10 – Data protection

Personal data and special categories of data, pursuant to article 9 of Reg. UE 679/2016 on the protection of natural persons with regard to the processing of personal data, shared or collected by both parties with regard to the execution of the contract, will be processed by the Parties in accordance with the provisions of the European Regulation. The parties undertake and warrant that personal data will be processed both on paper and electronically/on automated means for purposes of compliance with a legal obligation and related to the performance of the contract. Both Parties authorize each other to the processing of their personal data in accordance with the above-
